

Shabazz community-

I hope this communication finds everyone happy and healthy. Summer sure is upon us and with warm temperatures to boot. This native Floridian loves the heat.

I wanted to share some updates and calendar dates as we progress in setting the stage for the first semester of the 2020-2021 school year.

Students and families can now visit our website to view our first semester (Q1 & Q2) Shabazz class offerings, along with the course descriptions. Please click the following links:

[Fall Semester 2020-21: Quarter 1](#)

[Fall Semester 2020-21: Quarter 2](#)

Students and families should take some time to review their students' transcripts so an informed decision can be made on what each student needs for their path towards graduation. [Please click here for a handy transcript tutorial.](#)

Academic advising, questions about classes needed, or transcript review will be available **August 4th-6th** with Elizabeth Long, our Shabazz school counselor. **Please email Elizabeth at emlong@madison.k12.wi.us on these dates for assistance, if needed.**

On August 7th students and families will be sent a google form that students will use to submit their first and second choices for classes. Please be mindful we will do our very best to get students in the classes that they desire but also the classes they need to stay on track toward graduation.

Students and families will receive their official first semester 2020-2021 Shabazz Schedule on August 28th.

Time is surely quickly flying by and we are here to support you as we embark on a new way to start a school year.

Always honored-

Mary Jankovich
Principal, Shabazz City High School
