Shabazz City High School is a choice alternative high school committed to providing a safe, engaging, and authentic learning community for the 130 students who attend Shabazz. At Shabazz, students engage in in-depth inquiry of real world tasks that ask them to solve problems, think critically and creatively, and to effectively communicate and collaborate. In doing so, Shabazz prepares them for the demands of college and career.

Equity Vision

Shabazz will be a safe, diverse, and interconnected learning community where all students can receive the support they need to develop their strengths, cultivate their talents, and overcome obstacles to achieve their goals.

Strengths

Shabazz City High School remains the school of choice for students seeking to belong to a safe, engaging, and authentic learning community, and who want to pursue 4 year post-secondary options. Shabazz is a leader in student centered practices where students demonstrate their learning through authentic tasks and continually reflect on their growth and change.

Progress

In the upcoming year, Shabazz will continue its focus on supporting students in developing critical thinking and communication skills. In doing so, Shabazz will implement a school-wide performance based assessment system. In addition, Shabazz staff will work throughout the year on developing lessons and activities that engage students with higher order thinking tasks that require students to demonstrate greater depth in their understanding.

Area for Growth

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
